Notice No.: KRIET/TPO/2026-27/012 **Date:** 20 August 2026

To: Final and Pre-Final Year Students

Subject: Placement Policy, Academic Year 2026-27

The following rules govern participation in campus placement drives conducted by the Training and Placement Cell.

Registration: Every student in the final and pre-final year must register once with the Placement Cell at the start of the placement season (online form circulated by the TPO) before appearing for any company drive; a student who has not registered is not permitted to sit for any drive that season

One-offer rule: A student who accepts an offer, verbally at the drive or in writing, is placed and is withdrawn from all subsequent drives for that academic year; sitting for a further drive after accepting an offer requires a written no-objection from the TPO, granted only for a package at least 50% higher than the accepted offer

Backlog policy: The maximum live backlog count for each drive is set by the recruiting company (see the per-drive cut-off in PLACEMENTS); a student with more live backlogs than a drive's stated limit is not permitted to register for that specific drive regardless of CGPA

Dress code: Formal business attire is mandatory for every drive: full-sleeve shirt and formal trousers for men, formal Indian or Western business wear for women; jeans, T-shirts and sportswear are not permitted

Absenteeism penalty: A registered student who does not report for a drive without informing the Placement Cell at least 24 hours in advance is debarred from the next two drives

Individual company drive notices (company, role, package, eligibility, dates and selection rounds) are issued separately by the Placement Cell as each drive is confirmed.

Prof. Ajit Sawant

Training and Placement Officer
