Notice No.: KRIET/INCUB/2026-27/002 **Date:** 15 August 2026

To: All Students

Subject: Ratnaditya Innovation and Incubation Centre: Offerings, Funding and Cohort 5/6 Applications

The Ratnaditya Innovation and Incubation Centre (established 2022) supports student entrepreneurship with the following offerings.

- Free co-working desk space for 6 months
- Seed funding up to Rs. 2,00,000 (see funding tiers)
- Mentorship from an industry panel
- Access to the prototyping lab
- Patent filing support (50% fee reimbursement)

Funding tiers

Tier	Amount	Stage Required
Ideation Grant	Rs. 15,000	proof-of-concept stage
Prototype Grant	Rs. 75,000	working prototype stage
Seed Grant	Rs. 2,00,000	market-ready product with at least 3 letters of intent

Application procedure: Submit a 2-page concept note to the Incubation Manager, followed by a pitch to the Institute Innovation Council within 15 days of submission

Cohort 5 concept notes close on 30 September 2026; Cohort 6 concept notes close on 15 February 2027.

IP policy: Intellectual property generated using Incubation Centre resources (co-working space, prototyping lab, seed funding) is jointly owned by the student founder(s) and KRIET in a 70:30 (founder:institute) split; the institute waives its share in full if the founder(s) exit the incubation programme before availing any seed funding tier

Seed grant terms: The Seed Grant (Rs. 2,00,000) is released in two tranches: 60% on sanction and 40% on a milestone review conducted 6 months after sanction; the institute takes no equity in exchange for any funding tier; recipients must submit a utilisation certificate to the Incubation Manager within 12 months of the first tranche and acknowledge the Ratnaditya Innovation and Incubation Centre in any resulting patent filing, publication or investor deck

Mentors

- Dr. Abhijit Naik (Incubation Manager)
- Dr. Manasi Kadam (HOD, Computer Engineering)
- Mr. Kunal Devrukhkar, Founder, Konkangiri Analytics (external mentor)
